

## DC Circuit Breakers – IP65 Fully Enclosed

Heavy Duty Series for Solar PV panels

2x 2-pole non-polarized circuit breakers for 2x PV strings

800Vdc switches from 5A to 125A current ratings

Short circuit & over current protection

### *Enclosure details:*

*IP65 Halogen Free & Flameproof (UL 94 Class 5VA)*

*Weatherproof and UV Stabilized*

*Suitable for all Outdoor Weather Conditions*

*Suitable for Rooftop mounting near PV panels*

*Protect your roof and PV solar system with confidence*

Fuseless PV distribution for maximum system availability
